Honors

Dean's List

Drexel University

2019-2024

Hi, I'm Liam!

I'm a UX/UI designer who's recently received a B.S. in User Experience and Interaction Design from Drexel University, and I'm passionate about accessibility, originality, and creating beautiful interfaces.

Experience

WEB CONTENT DEVELOPER & WRITER

Drexel University Graduate School of Biomedical Sciences

April 2021 - September 2021

• Helped create a permanent request for content cycle alongside the web content team
• Designed infographics, following corporate branding, using Figma
• Performed UX user tests on a student report submission page, ensuring it was error-free
• Developed familiarity with the Microsoft Office suite

MEDIA SERVICES

Getting Out By Going In

April 2021 - August 2021

• Continuously updated appearance and content of GOGI's Wordpress site
• Edited weekly podcasts
• Created meditation background music for podcasts using Ableton Live
• Brainstormed future plans and outreach for the charity

TOWN HALL AMBASSADOR

Comcast

March 2022 - March 2023

• Provided internal tours of the Comcast Center Campus
• Kept track of appointments and scheduling related to tours
• Worked closely with Town Hall event space for several campus events
• Spearheaded accessibility project to make Universal Sphere attraction sensory friendly

COMMUNICATIONS DEPT. COOP

SEPTA (Southeastern Pennsylvania Transportation Authority)

April 2023 - September 2023

• Redesigned SEPTA's intranet's main menu
• Conducted UX interviews with all departments included in main menu
• Created wireframes for improved layout of the intranet
• Created new page for internal training library with HTML and CSS
