Honors

Dean's List

Drexel University

2019-2024

Hi, I'm Liam!

I'm a UX/UI designer who's recently received a B.S. in User Experience and Interaction Design from Drexel University, and I'm passionate about accessibility, originality, and creating beautiful interfaces.

Experience

Web Designer / Office Administrator

Main Line Surgical Center

October 2024 - Present

- Designed and updated Main Line Surgical Center website and related websites
- Restructured patient file format, created new patient and visitor check-in system
- Planned and coordinate all aspects of monthly meet & greet events (invitations, entertainment, food, setup, etc.)
- Managed all other miscellaneous office tasks as de facto IT professional/office manager

Freelance Web Design Contractor

Self-Employed

August 2024 - Present

- Designed and developed custom websites from concept to launch, handling ideation, wireframing, and coding.
- Collaborated with clients to create user-friendly, visually appealing web experiences
- Built responsive, SEO-optimized sites tailored to client needs, including bermanlegal.net.
- Created organizational system to ensure all client needs are quickly met for each project

Sales Representative

J.G. Wentworth

July 2024 - August 2024

- Conducted high-volume outbound calls to clients interested in debt relief solutions
- Guided clients through the full enrollment process, ensuring full qualification
- Provided detailed program information and addressed customer concerns
- Maintained a customer-focused approach, building rapport and trust

Communications Dept. Co-op

SEPTA (Southeastern Pennsylvania Transportation Authority)

April 2023 - September 2023

- Redesigned SEPTA's intranet's main menu
- Collaborated with around 20 departments to completely redevelop the intranet main menu
- Designed new layout of the intranet to improve usability
- Created new page for internal training library with HTML and CSS
